NAIC Number:			
State of Domicile:			
Company Name:		 	

The "Membership Assessment History Report" (Report), previously produced by the Indiana Guaranty Fund Office may be used as proof of payment for credit taken on the Indiana Premium Tax Return if available. The Guaranty Fund office no longer produces this report but past reports will suffice until the credits are utilized in full. For 2005 and subsequent guaranty fund assessments the company must provide the Tax Offset Statement, Assessment/Refund Statement and cancelled check (front and back) for each credit being reported. The proof is required to be submitted each and every year a credit is reported. The Guaranty Fund office may be contacted at 317-636-8204.

To receive credit however, the following must be provided:

- 1. Create a separate worksheet for each type of credit taken.
- 2. Denote (X) appropriate box for type of credit listed.
- 3. Calculate all assessments paid, less refunds and enter the total using the date received/refund given from the "Report" or the date posted from the canceled check.
- 4. List assessments and/or refunds newest (top) to oldest (bottom). The cumulative total for the year in which the assessments or refunds were paid/refunded should be entered in the Amount column with the year paid in the date posted column.
- 5. Enter twenty percent of the total in the appropriate box according to which year the credit is currently representing.
- 6. A negative credit is to be included as income and calculated in the sum of total tax due.

Premium Tax Filing – Credit Worksheet for Indiana Comprehensive Health Insurance Association (ICHIA) Assessments

NAIC Number:		
State of Domicile:		
Company Name:		

No tax credit is available for the ICHIA assessments January 1, 2005 and thereafter. ICHIA credits accumulated but not utilized for assessments paid prior to January 1, 2005, may be used at the rate of 10% per year for ten years beginning with the 12/31/07 return. Any refunds issued to the company by ICHIA during 2005 for a true-up of the 2004 assessment year must be deducted from the amount of unused credit.

Requirements and Form Instructions:

- 1. Proof of payment (front and back of canceled check) along with Assessment Statement required for any unused credit balances
- 2. The 2005 Assessment Statement issued as a true up for the 2004 Assessment year must be provided, reflecting any 2004 assessment refunds issued to the company. Any refunds would reduce the amount of unused credit to be carried forward.
- 3. Line 1, column 1 report the unused credit which was accumulated prior to 12/31/04 (amounts paid) less any refunds issued by ICHIA during 2005.
- 4. Line 1, columns 2-11 should reflect the allowable credit for each year (column 1 amount multiplied by 10%).
- 5. Line 2, columns 3-11 should reflect the Carry Forward Credit (line 5 of previous column) for that tax year.
- 6. Line 3, columns 2-11 should reflect the total of lines 1 and 2.
- 7. Line 4, columns 2-11 should reflect the total credit used for that tax year, which may not exceed the amount of tax liability. Report this amount on Schedule 1 for the Comprehensive Health Association Assessment credit.
- 8. Line 5, columns 2-11 should reflect the unused credit unused for that tax year (amount in excess of the tax liability). This amount is not subject to the 10% limitation and should be entered on line 2 in the next tax year.

NOTE: Please note that zero tax credit will be allowed if the documentation identified in #1 and #2 above is not provided.
